

Astronaut Diary: Landing on Mars

Your Mission:

You are an astronaut! Today, your spaceship has finally landed on Mars. You are the first person to ever explore the red planet.

Write a diary entry about your big day. What do you see? How do you feel?

Plan Your Diary Entry

1. How do you feel right before you step outside the spaceship?

I feel _____

2. What does the ground look like when you look around?

The ground is _____

3. What is one surprising thing you find on your walk?

I am surprised to see _____

Word Bank

Mars

spaceship

spacesuit

gravity

explore

floating

amazing

nervous

Your Diary Entry

Checklist for a Great Diary Entry:

- ☐ I started with "Dear Diary,"
- ☐ I used at least 3 words from the word bank.
- ☐ I described what I saw and how I felt.

Dear Diary,
